ALL MATTERS PROPOSED, DISCUSSED, OR DECIDED:

- Health and Wellness Specialist Mrs. Lewis came and gave us a report on the ways Diamond Fork is striving to create healthy students and teachers.
- Mrs. Binks brought up the option of an a la carte food stand during lunch after our health and wellness discussion centered on lunch for a few minutes. Also talked about the vending machine and the options available for students for healthy snacks at lunch.

- An idea was raised about having the Student Council start a "Trash Pick Up" initiative to create a cleaner school environment.
- NJHS, sports teams possibly used for mentoring
- The PTA reported that the March Fundraiser was a success and the PTA Board for the 2017-18 year has been appointed.
