RECORD OF VOTES TAKEN:

Motion to adjourn meeting made by Jacoy Baird, Lorraine Davis seconded the motion.

ALL MATTERS PROPOSED, DISCUSSED, OR DECIDED:

- We had a discussion in regards to school safety and what has been discussed with students and faculty in regards to protocol in crisis situations. Officer Ballyntine gave our faculty some information that we passed on to students, basically in the event of an emergency/lockdown we do three things: get out, hide out, fight out. He also spoke about the research that says if you have thought about how you would respond in the event of an active shooter (similar to Parkland, Sandy Hook, Virginia Tech) you are more likely to not freeze up if that situation were to occur.
- Mrs. Davis suggested a book to read called The Unthinkable
- All teachers will be getting a can of wasp spray to keep in their rooms in the event of something happening that they could use in defense.
- Mrs. Hamari discussed “pineappling” and what it looked like in our school during the month of February. Our goal was to have teachers visit other teachers in their department and look at engagement strategies.
- There was a discussion on registration. We have some things we will put in place for next year.
- A homework assignment was given for every council member to read the 2018-19 School Improvement Plan for our April 16, 2018 meeting.
